PowerBeamer Dual-Screen Setup

Demonstrating pgfpages Automatic Screen Splitting

Vahid A. Kalkhorani

PowerBeamer Project

October 20, 2026

DUAL-SCREEN SPEAKER NOTE:

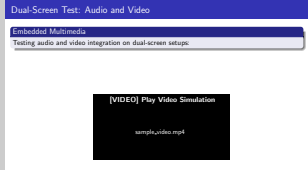

- This note is rendered by pgfpages side-by-side with the slide!
- The presenter software automatically detects the 32:9 aspect ratio.
- The audience sees ONLY the left presentation half.
- The speaker sees this private note on the laptop display.

Dual-Screen Test: Audio and Video

Embedded Multimedia

Testing audio and video integration on dual-screen setups:

PRIVATE SPEAKER REMINDER:

- Trigger the video by clicking on it or pressing Space.
- Time allocated for this section: 3 minutes.
